Understanding Quilting Terms

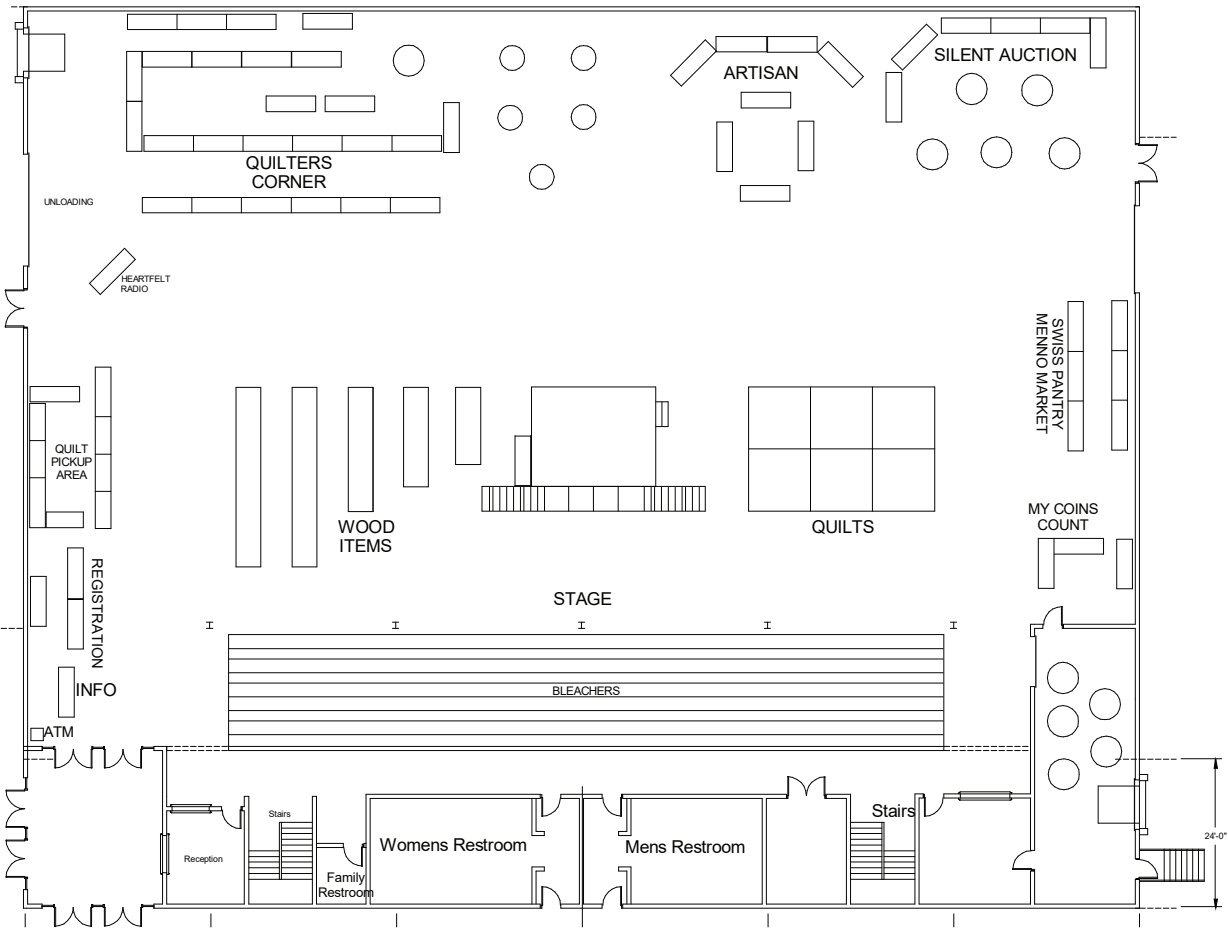

Making quilts has been an art form for Mennonite and Amish women for years. However, you will also find comforters, afghans, baby quilts, and wall hangings to be sold at the Quilt auction. When selecting a quilt to bid on, you will want to consider the thickness of the mattress, height of the bed, and desired overhang. Recommended sizing is as follows...

	Mattress Size	Quilt size
Twin	39" X 75"	72" X 108"
Full	54" X 75"	90" X 108"
Queen	60" X 80"	98" X 108"
King	76" X 80"	115" X 115"
California King	72" X 84"	112" X 120"

Quilt Storage

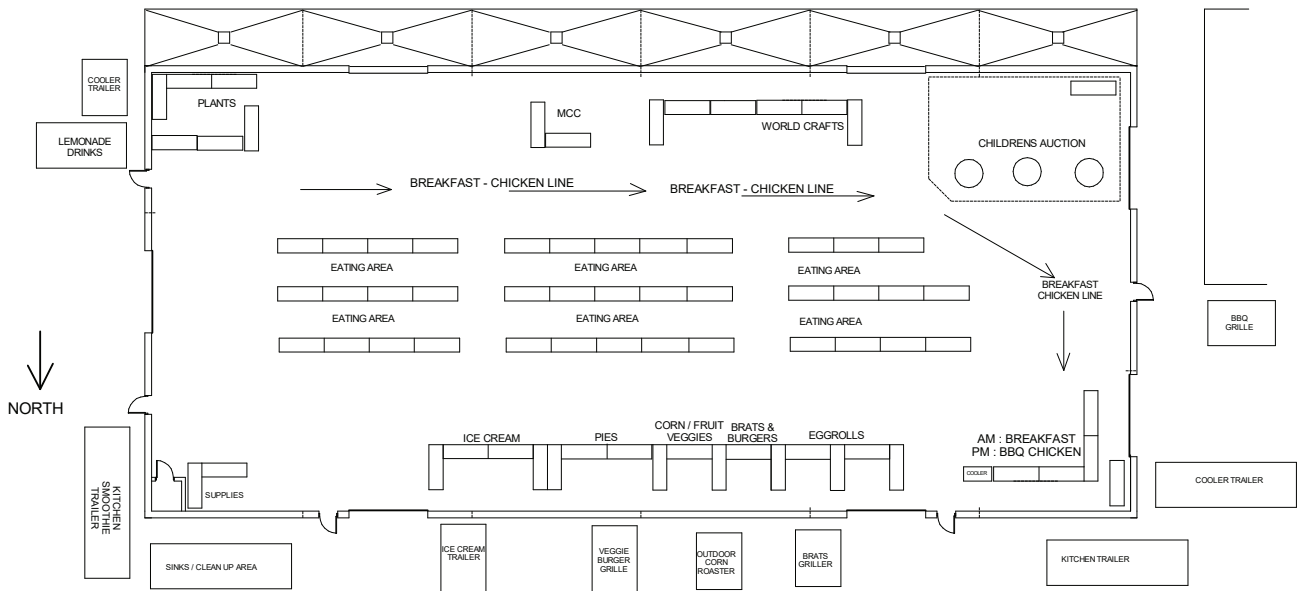

We recommend you store your new quilt in a cloth bag or pillowcase. Quilts stored in plastic bags cannot breathe and can cause discoloring of the fabrics.

Quilting Term	Definition
Appliquéd	Pieces of fabric are sewn onto a background fabric to form a design.
Embroidered	The design of the quilt top is formed by embroidery.
Pieced	Pieces of cloth are cut and sewn together to form a design.
Whole Cloth	The quilting itself forms the design. The background is usually a solid color.
Printed Fabric	The printed design on the background of the fabric gives the appearance of being pieced or appliquéd.
One Needle	All the quilting is done by one person.

Silent Auction How-tos

1. Participants must register and obtain a buyer's number, which can also be used at the live auctions on Friday and Saturday.
2. Silent Auction bidding will begin at 4pm.
3. Each item in the silent auction will be numbered and have a bid sheet. To place or raise a bid, write the buyer's number and amount bid on the first blank line available.
4. Bids must be in whole dollar amounts.
5. Silent Auction tables will close according to the schedule indicated on each table. A Relief Sale official will circle the highest bid on the bid sheet. Winning bidder numbers will be listed in an area close to the auction tables.
6. Winning bidders may pay for items at the Registration/Cashiers Table. Items from closed tables, along with bid sheets, will be taken to the Quilt Pick-up Area.
7. Be aware that this year, Silent Auction continues on Saturday. You may pick up gift certificates or we can mail them to you.

Online Bidding and "Buy It Now"

1. About Buy It Now: Selected quilts and gift cards were designated in July to be priced and available to purchase before the auction. These Buy It Now quilts were available to purchase online from July 25 to August 4.
2. All Buy It Now items will be listed in the auction catalog. It will be announced at the sale if the item has been purchased and removed from the auction sequence on August 6. Please ask any volunteer if you have questions regarding Buy It Now.
3. Any Buy It Now Quilt or Gift Card that is NOT pre-purchased will be sold in the auction on August 6.
4. Please note that we will be accepting online bids for this year. Online bidders may raise your live bid or set a maximum bid in their accounts. Clerks will be on hand to accept online bids and work closely with the auctioneers.
5. A buyer's premium will be charged on all online purchases to cover shipping and fees.
6. Items listed for sale are described by the seller in an attempt to accurately represent the item. Any errors or omissions are unintentional.
7. Photographs on the website are also presented in a way to accurately reflect the characteristics of the item. Be aware that due to the settings of your computer or device's screen colors may appear differently.
8. All sales are final and no returns will be accepted. By purchasing an item, the buyer agrees to pay full purchase price and applicable buyer premium and any additional fees disclosed by the seller prior to purchase. Items will ship to the address provided once payment has been received, but will ship no sooner than August 11. Following the shipment of the item, tracking information and estimated delivery will be provided to the buyer.

Live Auction Terms & Conditions

1. Buyer's numbers may be obtained at the Registration Table. You must have a buyer's number to bid at the Auctions.
2. The Ohio Mennonite Relief Sale accepts only items that have been donated. We try to recommend honestly and properly all items as described to us by our donors. However, all prospective bidders are cautioned to come early, look over the displays before sale time and pay close attention to all announcements during the sale. You must bid on your own judgment and confidence because there are no implied warranties made by the Ohio Mennonite Relief Sale or the donor.
3. All items will be sold to the highest bidder. If any dispute between bidders should arise, the item will be auctioned again. When the gavel falls and the auctioneer announces the item sold, the purchaser assumes all responsibility and risk. It is the purchaser's responsibility to claim the item at the quilt-pickup or from the gym for wood items. All sales are final.
4. You must pay at the Registration/Cashier's Table only. All transactions are recorded and receipts are issued for every item. Anyone with an outstanding balance will not be issued a buyer's number until that bill is paid.
5. Terms: Cash, good check, debit card, or credit card (VISA, Mastercard and Discover) on the day of sale. Every buyer will receive a receipt upon payment for your purchases. If the amount you pay that is more than the value of the item(s), the purchase can be a charitable contribution. This receipt will show the amount of tax-deductible contribution (if any).
6. Announcements made on sale day will take precedence over any printed material. The Relief Sale assumes no responsibility for typographical errors. Please be alert during the recommendation of each item.
7. Any items purchased at the auction that are not claimed within 30 days of the close of the sale (or special arrangements made with the Relief Sale chairperson) will become property of the Ohio Mennonite Relief Sale chairperson. These items will be disposed of at the sole discretion of the Ohio Mennonite Relief Sale for the maximum benefit of Mennonite Central Committee.
