Understanding Quilting Terms

Making quilts has been an art form for Mennonite and Amish women for years. However, you will also find comforters, afghans, baby quilts, and wall hangings to be sold at the Quilt auction. When selecting a quilt to bid on, you will want to consider the thickness of the mattress, height of the bed, and desired overhang. Recommended sizing is as follows...

	Mattress Size	Quilt size
Twin	39" X 75"	72" X 108"
Full	54" X 75"	90" X 108"
Queen	60" X 80"	98" X 108"
King	76" X 80"	115" X 115"
California King	72" X 84"	112" X 120"

Quilting Term	Definition
Appliquéd	Pieces of fabric are sewn onto a background fabric to form a design.
Embroidered	The design of the quilt top is formed by embroidery.
Pieced	Pieces of cloth are cut and sewn together to form a design.
Whole Cloth	The quilting itself forms the design. The background is usually a solid color.
Printed Fabric	The printed design on the background of the fabric gives the appearance of being pieced or appliquéd.
One Needle	All the quilting is done by one person.

Quilt Storage

We recommend you store your new quilt in a cloth bag or pillowcase. Quilts stored in plastic bags cannot breathe and can cause discoloring of the fabrics.

NOTE: There is a horse sale going on in the upper building.
Please exit on the **west** side to avoid traffic problems.

Buggy Parking is across the drive.

Silent Auction How-tos

1. Participants must register and obtain a buyer's number, which can also be used at the live auctions on Friday and Saturday.
2. Silent Auction bidding will begin at 4pm.
3. Each item in the silent auction will be numbered and have a bid sheet. To place or raise a bid, write the buyer's number and amount bid on the first blank line available.
4. Bids must be in whole dollar amounts.
5. Silent Auction tables will close according to the schedule indicated on each table. A Relief Sale official will circle the highest bid on the bid sheet. Winning bidder numbers will be listed in an area close to the auction tables.
6. Winning bidders may pay for items at the Registration/Cashiers Table. Items from closed tables, along with bid sheets, will be taken to the Quilt Pick-up Area.
7. Be aware that this year, Silent Auction will continue on Saturday. You may pick up gift certificates or we can mail them to you.
8. If the winner of the auction is not present, we will notify the winner. We will not be responsible for notifying anyone who did not win their auction.

Online Bidding and "Buy It Now"

1. About Buy It Now: Selected quilts and gift cards were designated in July to be priced and available to purchase before the auction. These Buy It Now quilts were available to purchase online through July 11.
2. All Buy It Now items will be listed in the auction catalog. It will be announced at the sale if the item has been purchased and removed from the auction sequence. Please ask any volunteer if you have questions regarding Buy It Now.
3. Any Buy It Now Quilt that is NOT pre-purchased will be sold in the auction on Saturday.
4. Online bidders may raise your live bid or set a maximum bid in their accounts. Clerks will be on hand to accept online bids and work closely with the auctioneers.
5. A buyer's premium will be charged on all online purchases to cover shipping and fees. Items that are not shippable will be noted online.
6. Items listed for sale are described by the seller in an attempt to accurately represent the item. Any errors or omissions are unintentional.
7. Photographs on the website are also presented in a way to accurately reflect the characteristics of the item. Be aware that due to the settings of your computer or device's screen colors may appear differently.
8. All sales are final and no returns will be accepted. By purchasing an item, the buyer agrees to pay full purchase price and applicable buyer premium plus any additional fees disclosed by the seller prior to purchase. Items will ship to the address provided once payment has been received. Shipment will be completed in the days following the auction. Following the shipment of the item, tracking information and estimated delivery will be provided to the buyer.

Live Auction Terms & Conditions

1. Buyer's numbers may be obtained at the Registration Table. You must have a buyer's number to bid at the Auctions.
2. The Ohio Mennonite Relief Sale accepts only items that have been donated. We try to recommend honestly and properly all of all items as described to us by our donors. However, all prospective bidders are cautioned to come early, look over the displays before sale time and pay close attention to all announcements during the sale. You must bid on your own judgment and confidence because there are no implied warranties made by the Ohio Mennonite Relief Sale or the donor.
3. All items will be sold to the highest bidder. If any dispute between bidders should arise, the item will be auctioned again. When the gavel falls and the auctioneer announces the item sold, the purchaser assumes all responsibility and risk. It is the purchaser's responsibility to claim the item at the quilt-pickup or from the gym for wood items. All sales are final.
4. You must pay at the Registration/Cashier's Table only. All transactions are recorded and receipts are issued for every item. Anyone with an outstanding balance will not be issued a buyer's number until that bill is paid.
5. Terms: Cash, good check, debit card, or credit card (VISA, MasterCard and Discover) on the day of sale. Every buyer will receive a receipt upon payment for your purchases. If the amount you pay that is more than the value of the item(s), the purchase can be a charitable contribution. This receipt will show the amount of tax-deductible contribution (if any).
6. Announcements made on sale day will take precedence over any printed material. The Relief Sale assumes no responsibility for typographical errors. Please be alert during the recommendation of each item.
7. Any items purchased at the auction that are not claimed within 30 days of the close of the sale (or special arrangements made with the Relief Sale chairperson) will become property of the Ohio Mennonite Relief Sale chairperson. These items will be disposed of at the sole discretion of the Ohio Mennonite Relief Sale for the maximum benefit of the Mennonite Central Committee.

Mennonite Central Committee Blessing Bids

If you're looking to contribute without taking anything home, consider a Blessing Bid. We will be auctioning Blessing Bids, but you can donate any time during the event at the Everence booth. Here are the available projects:

Education For Special Needs Children In Ukraine

The Rights for Children's Lives Center offers assistance to families of young children with special needs, including classes to master necessary cognitive and motor skills and preparation for preschool. Children learn communication skills and receive support for sensory development, including speech therapy. They also have sessions focusing on reading and writing, music and physical exercise.

\$144 provides transportation for children enrolled in this program

Creating Agroecological Gardens In Haiti

Agricultural projects in Haiti support farmers by supplying seeds (beans, peppers, corn, melon, okra, peanut), tree seedlings and silos for seed storage. Each year, 150 farmers participate with MCC partner, the Association of Volunteers for Reform and Development of Saint-Jean du Sud (AVOREDES) for support in year-round crop production. This support helps families become financially stable and combat hunger.

\$38 provides farmers with a variety of seeds and cuttings

\$144 provides a silo for seed storage

Tools And Seeds For Farming In DR Congo

Give the gift of farming to IDPs (internally displaced people) in Kikwit, DR Congo. Your gift of tools (hoe, machete, rake and garden fork), seeds (maize, peanut and black-eyed peas) and fruit tree seedlings will help Germaine Kambundi (pictured) rebuild her life for her and her five children. This project, in partnership with CEFMC (Community of Mennonite Brethren Churches in Congo) helps families increase their agricultural production and alleviates fears over a lack of food.

\$76 provides tools, seeds and tree seedlings for a household

Plant A Garden In India

You can bless a family with seeds, tools and training to plant a garden that will provide nutrition and income.

\$35 provides everything needed to start a garden

Educating Girls For A Better Future In Bangladesh

In Baromari, a remote area along Bangladesh's northern border with India, MCC partners work hard to raise awareness in Indigenous communities about the causes of poverty and the importance of education for girls as well as boys. Your gift provides not only school supplies, books and tutoring to students, but also other necessities like shoes and bags.

\$150 provides school supplies for a class of 30 students

Peace And Healing For Children In Syria

Give young people new peace skills to build a future beyond war. Children like these in Syria (names not used for security reasons) will learn more about resolving conflicts and overcoming trauma while building friendships. Your gift blesses the lives of children participating in a program called Child-Friendly Spaces designed to meet the needs of war-affected children.

\$20 helps provide supplies, crafts and snacks for children's peace activities

Water For The Future In Bolivia

For families in the area of Potosí, Bolivia, water shortages are a very real threat. Your gift to MCC will help to pipe spring water from the mountains for their household use and irrigation. Your gift will also support local conservation efforts like tree planting. Investing in this community helps to protect water sources and land while reducing the need for people to migrate.

\$30 provides fruit and forest trees to help with reforestation

\$100 provides pipes to transport spring water

Nutrition For Young Children In South Sudan

At the Loreto School of Rumbek, nutrient-dense supplements of corn soya blend and moringa powder are used to enrich the porridge given to children suffering from malnutrition. This ensures the children have sufficient, safe and nutritious food that encourages healthy growth, optimal development and well-being in all their stages of life.

\$33 provides nutritional supplements to children under five

My Coins Count...Spare Change Collection

This year's My Coins Count project will again benefit MCC's Water Projects. Via your spare change, you can help MCC address the problem of unclean water in many countries. In Honduras, \$15 provides a pipe to bring mountain spring water to a village and \$60 buys 10 bags of cement to build a small dam.

My Coins Count is the fastest growing program amongst the North American Relief Sales. It is truly amazing how the Lord can multiply a few dimes and nickels from your pocket. **Drop your spare coins (or bills!)** at the My Coins Count area or make checks payable to the Ohio Relief Sale, c/o Water Project, PO Box 62, Kidron, Ohio 44636

Why Relief Sales?

From the war-torn Ukraine to drilling water wells in Africa, these are only a few of the places where Mennonite Central Committee (MCC) does its work. MCC provides food assistance, financial and material resources, along with 1,000+ workers in 40 countries. With so much strife in the world, the need is great. But, MCC is built on the conviction that meeting human need and service to others is an integral part of the Christian life.

Therefore, In the Name of Christ, we must share the world's resources as God intended.

Relief Sales are organized by Mennonites across North America as a special way of raising funds for MCC. The Lord has blessed the Ohio Sale greatly. Over its 59 year history, volunteers of all ages have worked together to make the sale a reality. All items and services have been donated and thousands of hours spent crafting quilts, art, and furniture as well as preparing food, setting up tents, and so on.

YOU are part of this in a significant way. Whether you donate, buy an item or eat an egg roll, you are giving directly to the needs of disaster victims and impoverished people around the world. We encourage you to visit the MCC display and ask lots of questions. They are there to provide you with the details on the programs and activities of MCC. Thank you for your participation in this year's sale. We hope to see you again next JULY in MOUNT HOPE for the 2025 Sale.

Where we work

MCC works on five continents in more than 40 countries.

Everywhere we work, we partner with local churches and agencies — their understanding of community resources, needs and context helps shape programs that meet real needs and make a lasting difference.
